

Save up to **\$360**  
on energy costs

## Receive your \$150 rebate

Offer valid only for residential customers in Massachusetts where the Mass Save® program is offered by Cape Light Compact, Eversource, National Grid and Unitil. This rebate is good for the purchase of an ENERGY STAR certified electric clothes washer when replacing a functioning, top-loading washer with an agitator between January 1, 2025 and December 31, 2025. Customers must have their existing clothes washer verified within one year to receive the rebate. Learn more and sign up for verification at **MassSave.com/GetVerified**. The rebate application and all necessary materials must be postmarked or submitted online by January 31, 2026. Limit one electric clothes washer rebate per Massachusetts residential electric account.

**ENERGY STAR** certified clothes washers use about **20% less energy** and about **30% less water** than regular washers.

They automatically adjust wash cycles for load size and water temperature, while reducing wear and tear on your clothes.

## TERMS AND CONDITIONS

**Customer eligibility:** Offers valid only for residential electric customers in Massachusetts where the Mass Save program is offered by Cape Light Compact, Eversource, National Grid and Unitil. This rebate may not be combined with any other utility or energy efficiency service provider offer for the same equipment.

**Rebates:** Rebate is paid in the form of check via mail. Rebate check cannot exceed the purchase amount indicated on the receipt or invoice. For more information and to check the status of your rebate, visit [MassSave.com/RebateStatus](https://MassSave.com/RebateStatus) or call **888-855-0340**. Limit one rebate per customer account.

**Installation and environmental credits:** Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. The EEPP reserves the right to conduct field inspections to verify installations.

**Liability:** Participating utility or energy efficiency service provider does not guarantee the performance of installed equipment expressly or implicitly.

**Changes to this rebate offer:** These Terms and Conditions may be changed or terminated by the Sponsors at any time without notice.

**(!) IMPORTANT:** Photocopy your entire submission for your records. You may be required to provide additional copies.

By submitting this rebate, you agree to the above Terms and Conditions.
