ADDITIONAL DETAILS

Qualifying purchase totals are calculated per program code, across the qualifying items in that family only. Program codes cannot be combined to reach a single savings level. A single Sales Order may carry a claim under more than one program code, each totaled separately, but never two claims under the same program code.

One rebate claim per program code, per customer, delivery address and Sales Order. Purchases must be for personal use or by a small builder, designer, remodeler, or property manager. Purchases for multi-family developments, planned communities, or other large scale projects do not qualify. Offer is void where prohibited, taxed or restricted by law. Please keep a copy of this form and your Sales Order number for your records.
