**Product Description:** Elevate your bedroom with an exquisite blend of beauty and practicality with our Grace Vanity with Storage Drawer. The beautifully crafted vanity table showcases soft, rounded edges and tapered legs in a metallic-like Opulent Opal finish. A spacious storage drawer provides plenty of space for your cosmetics, jewelry, and other beauty essentials, keeping everything organized and within reach. Its elegant design transforms your daily routine into a lavish experience.

**Collection Features:** The Grace collection has sophisticated traditional lines with soft round corners and a glamorous Opulent Opal finish. The translucent metallic-like finish accentuates the ash veneer patterns. Design details include soft, breakfront cases, metal ferrules and trims and fancy-face veneer patterns on drawer fronts.

**Status:** Active

**Finish:** A glamorous Opulent Opal finish adds a touch of extravagance and beauty that elevates the overall aesthetic of any room

**Features:** A masterful blend of timeless tradition and modern glamour. A spacious storage drawer offers space the help keep your cosmetics, jewelry, and other beauty essentials neatly organized and within reach. Gentle curves and rounded edges create a serene and inviting atmosphere.

Metal accents, including a drawer knob, frame, and trim along the edges, add distinct visual contrast and a refined appearance. Metal ferrules on round tapered legs elevate the overall design.

**Material:** Quartered Ash Wood Veneers

**Drawer Construction:** English Dovetail Drawer Construction

**Frame Construction:** Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat.

and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
