## WADENSWIL DINING TABLE | CM3295T-TABLE

## **DETAILS**:

How about a modern marvel on your very own dining space? This brilliant piece features a faux marble rectangular top with beveled edges, held up by two curved pedestals finished in chrome. The matching chairs share the same shape and finish as the table, with seats upholstered in gray velvet fabric. With their unique backs featuring deep button tufting and welttrimmed edges, they complete this sleek and exquisite set.
