Recommended Care

GLASS: Clean with a slightly damp cloth and dry immediately with a lint-free cloth. Use only mild detergents and cleaning solutions which are recommended for cleaning glass. Use coasters and placemats to prevent marking on the surface of your product.

METAL: Dust frequently with a clean, damp, lint-free cloth soaked in mild soap and water. Avoid the use of chemical and abrasive cleaners, as they can damage the finish.

Iron or steel frames will rust if the finish is scratched or if your furniture is exposed to excessive humidity, particularly in coastal areas.

SOLID WOOD: Dust frequently with a clean, damp, lint-free cloth. Frequent dusting will remove abrasive build-up which can damage a finish over time. Occasionally use a light application of a high-quality furniture polish to enhance the beauty of the finish. Avoid using oily polishes or waxes. Avoid exposing your furniture to strong sunlight.
