Overall: 31.25"h x 48"w x 14.5"d

Finish: Natural/Gold

Materials: Cappuccino Stone/Iron

Item Weight: 151 lb

Gold iron and cappuccino-colored stone come together to create the Flying Gold Console Table. The X-shaped stretchers and top support are as toothy as the legs to bring this gold console table an industrial vibe, but it is also a shoe-in for a contemporary aesthetic. Design details of note are the way the feet swell and the clever way the legs culminate to embrace the brown marble top.
