Serge Ottoman Cream Faux Shearling

Serge is the small piece that makes a room feel finished. Its blocky, minimalist shape keeps things modern, while cream faux shearling adds cozy contrast you can style year-round. A dark mango wood base brings a warm, vintage-leaning note that grounds the look, and foam-and-fiber fill keeps the top comfortable as a footrest or extra perch. Set it beside a lounge chair or float it as a flexible accent—Serge keeps it simple, then makes it feel intentional.

- Modern Block Silhouette: Clean, minimalist form reads crisp and current, giving you an easy accent that works in tight spaces or open layouts.
- Faux Shearling Texture: 100% polyester faux shearling in cream adds soft visual depth, balancing the sharp outline with a warmer, more relaxed feel.
- Warm Wood Base: Solid mango wood base in a dark tone brings a vintage-leaning warmth, grounding the ottoman with natural material presence.
- Flexible Everyday Use: Foam-and-fiber fill over plywood support creates a comfortable top for feet or guests, while the compact size moves easily room to room.
