

DARLINGTON

OTTOMAN | SM5412-OT

DETAILS:

For those looking to balance a minimalist room with a visually hefty piece, this ottoman is the perfect choice. The multi-color chenille is the star of the show--bold yet inviting, the soft fabric uncannily reminds you of intricate tiling along with contrasting navy accents. The oversized stature of the frame helps invoke a sense of immense freedom. It's the kind of furniture that fills in the space it is set on, designed to take any home decor up a notch.
