Bonn Cast Glass Decorative Object Olive

Bonn brings weight and glow in equal measure. Made from cast glass with a soft, smoky-toned finish, this solid orb feels both sculptural and grounded. A flattened base gives it the poise to sit confidently on shelves, consoles, or anywhere that needs a pop of shape and shine. It's quiet, versatile, and designed to catch the light—and maybe a few compliments too.

- Warm Tones: A cast glass sphere with warm tones and a thoughtfully designed flat bottom for stability.
