**Features:** Exceptionally built using Rubberwood Solids, Cherry Veneer and Engineered Wood

Construction Details: This console table is built with durability and elegance in mind, constructed using quality veneers over engineered wood for the top, apron, and shelf, supported by a solid wood frame. Finished with a scratch- and stain-resistant lacquer, providing long-lasting protection while preserving the natural beauty and variation of the wood. Mortise and tenon joinery adds strength and stability to the design, and the kiln-dried wood resists warping and cracking over time. With a finished back, this table looks polished from any angle, making it versatile for both residential and commercial use. Plastic floor protectors on the legs help prevent scratches, ensuring it's a practical, stylish choice for any space.

Shape is rectangular with 4 legs

Product Dimensions: 17.5"W x 9"D x 31"H, Item Weight 17 lbs

Requires partial assembly of feet and lower shelf to table top with provided hardware

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

Shelf Dimensions: 15.25"W x 7.25"D x 8"H, Shelf to Apron is 19"H

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood

A small console table with a lower shelf is ideal for maximizing storage and style in compact spaces. Its narrow profile fits perfectly in entryways, hallways, or tight corners, providing a surface for decor or essentials without overwhelming the room. The lower shelf adds extra space for storage or display, keeping

items accessible and organized,  
while enhancing the tablea™s  
functionality and visual appeal.

Weight Capacity: 30 lbs

Ideal for use in living room,  
hallway/entryway, office, dining room  
or recreational room

To clean, wipe clean with a clean dry  
cloth and dust regularly. If spills  
occur, wipe spills with a damp cloth  
and dry immediately. No abrasives or  
household cleaners which can  
damage the wood. Drink coasters are  
recommended
