Dara Ecomix Sculpture Charcoal

Big presence. Smart materials. Dara's freeform silhouette twists just enough to feel intentional, with a chalky, stone-like finish that reads bold—but keeps it light. Made from GRS-certified paper, it plays up texture without the weight. Abstract but approachable—because pedestals need personality.

- Sustainable by Design: Made from GRS-certified paper, a blend of recycled paper, natural gum, and chalk powder, this chair's manufacturing process demonstrates a dedication to reducing environmental impact.
