Delaney Counter Stool Dark Green

An hourglass curve gives the Delaney its Art Deco line—and the counter a sculptural anchor. The silhouette reads as a design moment as much as a seat, settling easily into kitchens and bar nooks alike. Dark green vegan leather wraps a fully upholstered seat that wipes clean and keeps its color, while dense injection foam cushions long sits. A steel base with an integrated footrest holds everything steady at counter height. Pull up a stool, stay a while.

- Hourglass Silhouette: An Art Deco-inspired curved profile adds sculptural presence at the counter, making the Delaney a design moment as much as a seat.
- Soft Vegan Leather: Dark green vegan leather offers a smooth, soft hand-feel that holds its color and surface appearance well through everyday counter-side use.
- Injection Foam Seat: Dense injection foam fills the fully upholstered seat, delivering supportive cushioning that holds its shape and bounce through daily counter-side use.
- Steel Base And Footrest: A sturdy steel base with an integrated footrest keeps the stool grounded and comfortable at counter height through extended sitting.
