

GE® 8.3 cu. ft. capacity RightHeight™ Design Front Load gas dryer with steam

Model# GFDR485GPMC

- Built-in riser - Comfortably load and unload clothes, and use the top as a folding surface, with this factory-installed riser
- Detangle Assist - Twisted sheets and comforters are a thing of the past with a setting that pauses and reverses direction to separate items and reduce wrinkling
- Steam Refresh - Rejuvenate lightly worn clothes by getting rid of wrinkles and odors with this convenient setting using the power of steam
- Steam Dewrinkle - Stored or wrinkled clothes come out wrinkle-free with this helpful setting that uses steam to refresh and dry a load of any size
- LED light - Find that last sock in the washer and dryer thanks to a bright, energy-efficient and long lasting LED light
- Stainless steel drum - Resists rust and helps protect clothes
- HE Sensor Dry - Keep your clothes looking and feeling their best with dual thermistors that continually sense and monitor moisture and temperature to prevent over-drying
- eMonitor - Get the energy-saving insight you need to reduce your utility bills with an electronic readout that shows the efficiency level of each load
