General Warranty Statements

The following conditions apply to this warranty except where prohibited by law:

This warranty is valid for the original agent/dealer from the date of invoice and warrants the products to be free of defects in materials and workmanship when put to ordinary use for the length of time specified.

It is always the primary intention of Fairfield to deliver first quality furniture to our customers. Should a manufacturing issue or transit-related damage arise, Fairfield reserves the right to repair or replace the item(s) involved. If a local medic can sufficiently repair and restore the piece(s) to first-quality condition, Fairfield will proceed in that manner. On-site repairs allow the customer to begin utilizing the product sooner and avoid unnecessary costs and time delays involved in a replacement.

Warranty service is handled through the original furniture agent/dealer. Should service be needed, contact your furniture agent/dealer. After receiving Fairfield authorization, the agent/dealer will either repair, replace or return the defective item(s) to the factory for review and disposition. Fairfield's responsibility for transportation cost and labor is limited to one (1) year from the original invoice date and for transportation between the agent/dealer's original shipment location and the factory. If the product has been moved to another location than the original shipment receipt location, Fairfield is not responsible for the transportation cost to return to the original shipment receipt location.

Replacement parts for office mechanisms, office bases, loose seat cushions, back pillow cores, and swivel bases are without charge when covered under this warranty. Installation of these items is the responsibility of the agent/dealer and is not covered by this warranty.

Fabric matching standards will be determined by Fairfield unless specified by the customer. Please note that seams are often required when applying the material in a non-railroaded (directional) application. This application is at the discretion of Fairfield and is not considered a defect in workmanship.

Color variations in finishes - some unavoidable natural variations occur in wood species, both solids and veneers, and are an inherent natural characteristic of wooden furniture. These characteristics are not considered a defect in materials or workmanship and therefore are not a basis for a warranty claim.

Our upholstered frames are constructed to support individuals up to 300 pounds per seat and our Bariatric Chairs are constructed to support individuals up to 500 pounds per seat. Testing results are based on BIFMA standards.

Consequential and incidental damages are excluded from this warranty. This warranty gives you specific legal right, and you may also have other rights that vary from state to state.

Alterations of any type to the product by the customer/agent/dealer will nullify the warranty entirely.

*Coverage of warranty begins at date of invoice.
