

DEFINITIVE TECHNOLOGY

Dymension Outdoor LS-400 4" Landscape Speaker

Bring powerful sound to outdoor spaces with the Definitive Technology LS-400 landscape speaker. The LS-400 delivers expansive sound with exceptional clarity, thanks to its advanced acoustic innovations. Timbre matched and engineered for durability, this IP56-rated speaker withstands rain, snow, and dirt.

KEY BENEFITS

Impactful sound for outdoor spaces

The LS-400 delivers powerful, dynamic sound, courtesy of its mineral-filled woofer and premium aluminum oxide dome tweeter.

Configure up to eight speakers

The LS-400 is sold in pairs; when paired with the LS-80 or LS-100 subwoofer, up to eight speakers can be placed throughout your yard.

Uncompromised outdoor sound

Dymension Outdoor speakers leverage Definitive Technology's innovative acoustic technologies to deliver clear, consistent sound in any outdoor space.

All-weather protection

Ruggedly durable with a rigid, mineral-filled enclosure, the IP56-rated LS-400 withstands harsh conditions while blending into its environment.

Perfect pairings for seamless sound

Combine the LS-400 with Dymension Outdoor's wide range of timbre-matched speakers for cohesive sound in any configuration.
