Shade: Light Beige Linen

Shade Dimensions: 17" x 11"h

The Verdure Cylinder Table Lamp has a sophisticated swirling green and white pattern on its surface, which recedes to a lovely stippled effect when seen from far away. The interlocking amoeba shapes only appear when one draws near the green table lamp made of porcelain. The columnar body that sits atop an optic crystal base is capped with a metal plate in a satin nickel finish. The optic crystal finial echoes the sleekness of the lamp's body.
