RANKIN BENCH

ITEM # 706-480C

More casual styling options for the dining room space is a growing and welcomed trend. And one of the benefits of this trend is the ability to incorporate a variety of seating formats into the design. The most flexible and casual of these is the use of a dining bench. Plank Road includes this option with the Rankin Bench. Use it as an everyday seat at the table, as an entryway bench, or even in front of a bed.

- Upholstered seat
- New Zealand Pine

Solid Wood - Made using genuine solid wood construction
