Brand: Flexsteel

Product Description: Take comfort to the next level with the Arlo Power Reclining Loveseat with Console. Available in our premium leather upholstery, this loveseat will add refinement to any living space. The spacious center console includes storage for glasses, magazines and other personal items and features two cup holders. Easy-to-access power controls with built-in USB charging ports in both arms allow you to independently adjust the headrest and recline, dialing in the right level of comfort for each person. Designed for optimal support, Arlo has pull-tufted, triple-divide back cushions that cradle your head, neck and lower back. Contoured seats take pressure off your legs as you sit, while our patented DualFlex Spring System™ provides firmness and flexibility. Rounded pad-over track arms provide a comfy place to rest your forearms-great if you're spending hours gaming or streaming movies. To make Arlo your own, choose from more than 50 leather or leather match options.

Reclining Options:

Center storage console features two cup holders and space to house remotes, magazines and other items

Power controls on both arms independently adjust the headrest and recline for a personalized sit

Home button returns the headrest and footrest to their original positions with one touch

USB charging port built into power control keeps devices powered up and ready to use

Pull-tufted, triple-divide back cushions support your back and have distinctive look

Rounded pad-over track arms enhance comfort and provide additional forearm support

Contoured seats with chaise pads for a comfortable, tailored look

Built to last with our DualFlex Spring System™-sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline

Available in durable leather upholstery that holds up in the most demanding environments

Available in more than 50 leather options to suit any decor

Removable backs allow for easy lifting and maneuvering through doorways

Control Options:

The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.
