Shade: Off White Shantung

Shade Dimensions: 14"w x 4"d x 10"h

Hiroshi Koshitaka continues his explorations of the natural world with the Moon Dust Wall Sconce. Inspired by how he has seen leaves falling onto the ground in the autumn, the complex silver, gold, and black wall sconce is a study in how nature can create layered artistry. The Hiroshi gray, contemporary gold leaf, and contemporary silver leaf finishes are textural on the wrought iron surfaces. The Moon Dust is ADA compliant.
