

SKSRT360S

36-inch Gas Pro Rangetop with 6 Burners

SKS

Power-Up or Simmer Down

Two Ultra-High Burners deliver 23K BTUs of pure cooking power for great searing and quick stir frying. Two Ultra-Low Burners simmer down to maintain temperatures as low as 100° to prepare delicate sauces and sugary confections.

Built-In Wok Grate

The three front burner grates are convertible for round-bottom wok cooking. Stir fry at home with professional-style results.

Smart Knobs™

Each burner has a dedicated Smart Knob® featuring a large, illuminated display that makes it easy to read from across the room. Smart Knobs™ include a Wi-Fi function that let you see if the burner is on or off using the ThinQ® app.

3 Wok Grates

Warranty Summary*

Limited Warranty, Parts & Labor	3 Years
---------------------------------	---------

Natural Gas or LP

Gas Rangetops are shipped by the factory to operate on natural gas. If the location / job site requires conversion from natural gas to propane (LP), utilize the included LP kit. Conversion must be done by a qualified installer or service technician.

*These warranties give you specific legal rights and you may have other rights that vary from state to state. For complete warranty details, refer to your Use & Care manual.

SKSRT360S

36-inch Gas Pro Rangetop with 6 Burners

Cutout Dimensions

†As defined in the "National Fuel Gas Code" (ANSI Z223.1, Current Edition). Clearances from non-combustible materials are not part of the ANSI Z21.1 scope and are not certified by CSA. Clearances of less than 12" (305 mm) must be approved by the local codes and/or by the local authority having jurisdiction.

NOTE: Shaded area above countertop indicates minimum clearance to combustible surfaces, combustible materials cannot be located within this area. For island installation, 12" (305 mm) minimum clearance from back of rangetop.
