NOTES

- The center storage console contains includes a wireless phone charging platform
- Contoured seat with waterfall chaise cradles you in while the divided back provides lower back comfort
- Heavy thread stitching for a striking look
- Flared, pad-over arms with pop-out cupholders for placing beverages
- Customize your comfort with a power control that adjusts the headrest, lumbar support and recline independently
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- Available in two fabric color options that are durable and easy to clean, yet have an authentic leather look
- A home button on the power control returns the headrest, lumbar, and footrest to their original positions with one touch
- A USB charging port is built into power control for convenient charging
- Built to last with our patented Flexsteel DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Removable backs for easy moving throughout the home
- The flip-down center back cushion contains a storage console, touch lighting, and a wireless phone charging platform
- Removable back for easy moving throughout the home
- The power control allows you to independently adjust the recline, headrest, and lumbar support.
- A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
