Kitchenaid® 30-Inch 4-Element Electric Downdraft Slide-In Range

KSEV730TPS

Available Finishes/Colours

KSEV730TPS PrintShield™ Stainless Finish

This all-in-one eclectic range includes Downdraft, which integrates the ventilation system so a separate hood is not needed. Smoke and odors can be removed outside or filtered air can be recirculated inside. This range also features flawless cooking results from Even-Heat™ True Convection, featuring a unique bow-tie design with a heating element and fan that circulates hot air throughout the entire oven, providing consistent temperatures for crisp, flaky baked goods, juicy, well-browned roasts and flavorful caramelized vegetables.

Top Features
Downdraft
External or Recirculating Venting Options
Even-Heat™ True Convection
