Features

Crafted from kiln-dried oak wood and veneer, the use of veneers results in high-quality furniture with consistent color tones and appearance.

Finished by hand, using a multi-step process that highlights the wood's natural grain.

Rope detailing creates a modern and coastal style, adding dimension and texture to the design.

Frame and panel construction with brackets having hook and slot connections.

Designed for use without a box spring and built with a slat support system.

Floor protectors under the legs to protect surfaces.
