

Puffy Royal Mattress HYBRID

Premier luxury hybrid memory foam mattress with zoned full-body support that's perfect for sleepers looking for unparalleled comfort, cooling, and stability.

14" | 7 LAYERS

1 STAIN-RESISTANT CLOUD COVER

Hypoallergenic noise-free cover protects your mattress from stains, spills, dust mites, dust, and other allergens, making it ideal for sensitive sleepers.

EXCLUSIVE TO ROYAL

2 INFUSED COOLING + PLUSH CONTOURING

1.5" of unique foam infused with cooling gel eliminates heat retention along with plush comfort like you've never experienced before.

3 REFLEXIVE MEMORY FOAM

1.5" premium high-density foam layer that gently cradles you as you sleep for ultra-responsive body contouring and ultimate pressure relief.

4 CLIMATE COMFORT™ FOAM

2" specialized foam layer that is expertly crafted to resist contraction and expansion during temperature fluctuations, resulting in consistent and comfy sleep year-round.

5 CLOUD AIR TECHNOLOGY FOAM

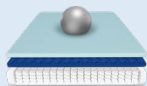

2" of innovative specialized foam sculpting technology provides restorative zoned full-body support and ergonomic comfort with a softer plush feel under shoulders and legs.

6 FIRM CORE SUPPORT + CONTOUR-ADAPT COILS

7" of high-density foam with contour-adapt coils base to help stabilize your mattress with advanced edge support.

7 GRIP BASE COVER

Keeps your mattress securely in place on any bed frame, without slipping or sliding.
