

## FLEX LSX™ ADJUSTABLE BASE

BEDGEAR's Flex LSX™ Adjustable Base includes Air-X® breathable mesh and provides an innovative bedroom experience with state-of-the-art features, such as head, foot, neck and lumbar adjustments, dual massage with variable intensity, underbed sensor and mood lighting, Bluetooth audio system and many more. It transforms your bedroom environment for enhanced sleep, leisure and work.

### Features and Benefits:

- **Air-X® Breathable Fabric**
  - o Engineered with BEDGEAR's Air-X® 3D breathable mesh in silver-gray fabric to provide continuous airflow.
- **Soft Form® Technology**
  - o This patented technology allows the base to curve naturally in better alignment with the body while taking stress off the mattress from bending at hard angles, eliminating the gap between the base and the mattress.
- **Retainer Bar**
  - o Includes BEDGEAR's exclusive, patent-pending hidden retainer bar, in addition to the universal retainer.
- **Head, Foot, Neck and Lumbar Adjustments**
  - o Four independent motors for head, neck, lumbar and foot adjustments, allowing you to find your most comfortable positions. The lumbar adjustment helps maintain proper posture and relieve pressure off different body parts.
- **Head and Foot Massage**
  - o Independent head and foot massage with variable intensity for a soothing and relaxing experience.
- **Bluetooth Audio System**
  - o Designed with two speakers, one on each side under the adjustable base, to provide a theatre like audio experience from your bed. It is also Smart TV compatible.

*Features and benefits continued on the next page*

## Features and Benefits Continued:

- **LED Underbed Sensor and Mood Lighting**
  - o Motion-sensor underbed lighting to provide a convenient and safe middle-of-the-night walk without disturbing your partner. It also features adjustable mood lighting for a different ambience.
- **3 Presets – TV / Zero Gravity / Anti-Snore**
  - o TV preset helps you watch TV in the perfect viewing angle while the Anti-Snore preset reduces snoring by slightly elevating the upper body for deeper breathing. Zero Gravity position produces a weightless feel and relieves pressure off your body from head to toe, especially your lower back.
- **2 Programmable Memory Positions**
  - o Allows you to program your two favorite positions, and the base takes you to those exact positions with one easy touch of the button.
- **One-Touch Flat Feature**
  - o Touch one button to return the base to its flat position.
- **Free Smartphone App (BEDGEAR Mobile App)**
  - o Compatible with Android and iOS smartphones to control the adjustable base, including adjusting the underbed night lighting and Bluetooth audio system.
- **Wireless LCD Remote Control**
  - o Wireless backlit remote for easy access in the dark from anywhere in the bedroom.
- **USB Charging Ports**
  - o A total of four USB charging ports, two on each side of the base.
- **Emergency Battery Backup**
  - o Ensures your base returns to the flat position in case of a power outage.

*When you buy a Split King (Made up of 2 Twin XL's) all above features will be for each side of the bed*

- **Additional Features**
  - o 3 Year Bumper to Bumper Warranty
  - o Foldable Design
  - o Free Stabilizer Brackets for Slats / Platform
  - o Headboard Brackets sold separately
  - o Free Sync Cables for Twin XLs
  - o Available as One-Piece King (Folds Horizontal)
  - o Optional Adjustable Legs
  - o Weight Limit: 650 lbs (295 kg) for TXL

### Who is BEDGEAR?

BEDGEAR® is the brand of Performance® that provides innovative bedding by focusing on an active lifestyle and well-being.

### About BEDGEAR

Launched in 2009, BEDGEAR® is the brand of Performance® that provides innovative bedding by focusing on an active lifestyle and well-being. BEDGEAR's sleep solutions are engineered with fabrics that are moisture wicking and instant cooling and maximize airflow to allow the body to naturally regulate its temperature. With a core belief of One Size Does Not Fit All™, BEDGEAR has redefined the way people view sleep by developing interactive in-store experiences and breathable bedding products that are personally fit to a consumer based on specific factors, including body type, sleep position and temperature. BEDGEAR is dedicated to integrating environmental responsibility into product development to ensure less returned goods are being sent to landfills. BEDGEAR is essential to the rest and recovery routines of professional athletes and active people who need to maximize their sleep. A proud manufacturer in the USA, BEDGEAR offers mattresses, pillows, sheets, blankets, pet beds as well as travel, kids and baby products that often feature removable and washable covers to maintain a clean and healthy sleep environment. BEDGEAR is represented in more than 4,000 retail stores across the globe and has earned more than 220 U.S. and worldwide patents, trademark registrations and pending applications.
