THE RICHARD MISHAAN COLLECTION

Won't you come in? Theodore Alexander invites you to enter the world of Richard Mishaan. Architect, author, decorator, epicurean, tastemaker, and furniture designer, as Theodore Alexander introduces The Richard Mishaan Collection.

Richard Mishaan's style defies classification. As a lifelong student of design and architecture, Mishaan mixes styles, periods, colors and textiles with an artist's eye. Columbian-born, Mishaan's point of view is eclectic, diverse and thoroughly at home in the world. After studying architecture at Columbia University, Mishaan apprenticed with Phillip Johnson. Today, Mishaan takes a place among modern masters of interior design and decoration with his own eponymous firm based in New York City.

Of course, Mishaan has designed furniture throughout his storied career – for the homes of celebrities, power brokers and collectors. The Richard Mishaan Collection from Theodore Alexander brings the designer's exclusive aesthetic to discerning designers and their clients.

The collection – over 50 signature pieces – includes designs for the whole home: living room, dining room, bedroom. Pieces move fluidly and creatively in a designer's floor plan. Favorites include the curvaceous Kyoto Sofa, the Carlo Side Chair (don't miss the elongated sabots), and the Duke Cocktail Table with distinctive inverted corner leg detailing. Finishing touches matter in Mishaan's world: Four diverse and unique gold-trim urns comprise the Greenbrier Vase quartet. Perfection.

The Theodore Alexander reputation for impeccable craftsmanship drew Mishaan to the company. Rich synergies between the creative design and manufacturing process are especially evident in lacquered and hand-painted signature pieces, like the eight-panel Ming Lacquered Screen and the Kyoto Regency Sideboard. Many designs celebrate the rich fusion of East and West.

Richard Mishaan is the mix master: antiquarian and modernist, minimalist and maximalist, collector and iconoclast. Discover this rich and layered world with the Richard Mishaan Collection at Theodore Alexander.

APPEARANCE

All Theodore Alexander products are manufactured to the highest standards and with the utmost care and attention to detail. Whilst we make every effort to accurately reproduce the colours of the furniture illustrated, differences in texture, grain and colour are inherent in all natural woodwork and should be expected as the individual characteristics of materials used. Variations in these qualities are not manufacturing defects and will not be accepted as such for the purpose of claims. Some changes in colour or texture may occur during the life cycle of the product, particularly in leather, wood and veneer. All exposed surfaces of Theodore Alexander furniture are prepared, sanded and finished, even though at times they are not visible. This includes the undersides, the back and the inside of the drawer boxes amongst others. While our fabrics and leather are sourced from the finest upholstery manufacturers, we are unable to provide a guarantee on fabrics or leather, including COM. Theodore Alexander can take no responsibility for wearability of fabric and leather or alternations to the fabrics and leather after it has shipped. We recommend the use of a professional upholstery dry cleaner in case of soiling or wear. Items are photographed in studio conditions and the appearance of the actual items may vary from that shown
