

Andrew Wing Chair

5147-01

Dimensions (inches)

Width	28.00
Depth	35.00
Height	43.50

Description

This transitional chair has the comfort of a wing chair and styling for modern living. The softly curved back is contoured and the arms are slim. Nail head trim outlines the base, arms and wings. The wood legs are shaped with tapering. This chair looks best in fabrics that are solid or small designs because it has seams on the in-back.
