# CONTRAST CREDENZA

Hidden Treasures

Anytime you can get a piece of furniture that has beauty and provides storage, that is always a plus. This credenza from our Hidden Treasures collection is just that. Weather using it in your living room or in your dining room you will love the casual contemporary feel. It is adorned in a dark veneer pattern of ash veneers with four doors, three adjustable wood shelves, wire management, an electrical outlet, and hand holds in the back for easy mobility.

- Ash veneers & select solid
