Ermes Dining Table - BJD22188-20

PRODUCT SUMMARY

Collection: Any Finish, US Made

Features: A bold dining table that features the dynamic visual play of two halves of a large sphere stacked on one another to support the table's substantial quartersawn oak top. Customize it in your choice of oak finish on its base and top, or mix it up by choosing two finishes: one for the base and another for the top. Choice of quartersawn oak or maple for top. Base standard in cast resin. Also available in 72" Dia as BJD22188-19.
