Beth Side Table

Small table, big natural energy. Beth keeps the silhouette clean so the materials can do the talking—warm sungkai wood, woven water hyacinth, and a clear tempered-glass top that shows off the texture below. The glass wipes clean in seconds, while the lower hyacinth shelf adds an earthy spot for books or baskets. Finished in an easy brown tone, it's the sidekick that makes your whole seating area feel grounded without trying too hard, ever today.

- Clear-Lined Accent: A simple silhouette lets the woven base and warm wood show through, adding texture without cluttering smaller spaces beside sofas, beds, or chairs.
- Natural Material Mix: Sungkai wood, natural water hyacinth, and a clear tempered-glass top combine for an airy look with grounded, organic character in every room.
- Refined Framework: The sungkai wood frame is well-made and supportive, highlighting clean joinery and keeping the overall profile crisp and steady from top to bottom.
- Easy-Clean Surface: Tempered glass resists daily wear and wipes clean fast, while the lower shelf corrals essentials so the top stays open for relaxed styling.
