MACKENZIE – DINING

DESCRIPTION

The Mackenzie bar and counter stools offer a refreshingly current approach to comfort. The moulded foam seat that nests into a tubular iron base, provides a significant amount of support without sacrificing softness. The stools can be configured for kitchen counter or bar top seating and are available with a black or white base, and in three neutral polyester fabrics. Seats are available to order with a custom cover.

FAQ

- Fabric is 100% polyester.
