

## 90 DAY COMFORT GUARANTEE

### HOW IT WORKS:

- Take the comfort test to determine which comfort level is right for you.
- Decide which mattress you want to purchase.
- Sleep on the bed for a minimum of 60 days. Call us before 90 days to start a comfort guarantee.
- If you are not satisfied with the comfort of the bed we will help re-fit you for a better comfort.

### THE FINE PRINT:

- Applies to mattresses over \$799 (queen size price), we offer no comfort guarantee on mattresses that are less than \$799.
- You can comfort exchange for any bed in our store, if the price is more you simply pay the difference, if it is less you will receive a store credit.
- Jarons offers a one time comfort exchange, the comfort guarantee doesn't apply to the second mattress.
- You are responsible for paying for a delivery and exchange fee of \$99 or you can return and pick up at our warehouse with no cost. Our drivers will bring all the proper bags to make sure the mattress is wrapped properly. If you choose to bring it back yourself you are responsible for wrapping the mattress and protecting against any stains and damage.
- You are responsible for purchasing a mattress protector that warranties against stains. If the mattress is soiled in any spot Jarons will **not** allow any exchange. We strongly encourage you to purchase our mattress protector which comes with a warranty.
- Special size mattresses do not qualify for the comfort guarantee.
- 90 days after delivery we will not allow any comfort exchange, please don't ask.
- If you remove the law tags the comfort guarantee and manufacturers warranty are void. So don't remove the tags.
