DESCRIPTION

Castellefi Tangent covers offer durable protection to your outdoor patio furniture year-round. When your furniture is covered with high quality protection, the beauty of the frame, finish, and fabric are preserved. Each of our durable covers are designed with polyester fabric that is easy to maintain, lightweight, UV resistant, and waterproof so your furniture is securely protected. The use of Tangent furniture covers guarantees a snug fit to protect your investment and each cover is customized to fit all styles and models. Our furniture covers are engineered to resist the elements of harmful external weather conditions and each high-quality cover allows air to circulate over the frame. As a bonus, sewn loops in each corner are included for added security and stability under windy conditions. Each Tangent cover is available in Tangent Hemp (a) fabric color.
