Gali 11 5 In Vessel

Cool color, wavy confidence. The Gali Vessel brings a contemporary ripple to your surfaces, turning everyday styling into a little visual movement. Its waved, sculptural detail catches light and shadow, while the Light Blue finish keeps the mood calm and crisp. Made from Ecomix—a mix of recycled paper, natural gum, and chalk powder—it's lighter to lift and easy to layer on shelves, consoles, or sideboards, wherever you want shape now. Decorative only, not water safe.

- Rippled Silhouette: Waved contours create a playful, contemporary profile that adds motion to shelves and tables without feeling busy or loud at all.
- Ecomix Material Story: Crafted from recycled paper, natural gum, and chalk powder, Ecomix delivers a lighter-weight vessel with a matte, sculptural look in rooms.
- Decor-Only Use: Designed for decorative styling and not water safe, it's perfect for dry stems or standing alone as an object too.
