Prince Multi-function Lift chair

Prince

With our Multi-function Lift Relaxers, receive added support and convenience with a variety of excellent functions. Helping you to tailor your comfort needs more specifically, our Multi-function Lift Relaxers will allow you to achieve your perfect relaxation zone, providing comfort where you need it most.

With carefully positioned stitching detail in the backrest, the Prince Multi-function Lift Relaxer possesses its own flair for originality and style. The angular padded armrests create a truly regal effect, like those of a perfectly designed throne.

The IMG promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

Warranty - See warranty policy for more details.

2 years	on motor and battery-parts
2 years	on leather and fabric covers

DESIGNED IN NORWAY

Up to 2 sizes available

See reverse for specific option availability.

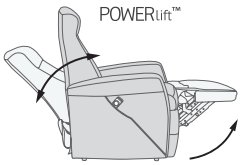

Functions - Features

1. **Higher grade foam**
   Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.
2. **Comfort precision headrest**
   Adjustable head and neck support gives you the ultimate comfort in all seating positions.
3. **Effortless recline**
   The back recline and integrated footrest can easily be operated at the push of a button.
4. **Steel interior springs**
   Steel springs located throughout the back and seat provide optimum support whilst cradling the body.
5. **Solid frame construction**
   A steel and hardwood frame provides durability and strength.
6. **Remote control system**
   Allows you to easily operate the lift function, the backrest and footrest, or return to the home position.
