AEG

## 24" Built-In Stainless Steel Microwave Oven

### FEATURES & BENEFITS

#### Microwave-Grill Combination

Combine the power of a grill and the efficiency of a microwave, with Fast Cooking. Melt mozzarella-topped toasties, or harden a crème brûlée's sugared lid, all in the microwave. Versatile cooking, mastered.

#### Precise Control

Enjoy a seamless cooking experience with the user-friendly responsive touch control panel featuring a digital display.

#### Delicious Results, Faster

The Compact microwave combines normal oven functions with the grill and microwave so you can service exquisitely cooking meals with less time.

#### A quicker way to toast and crisp

This highly efficient grill takes less time than traditional ovens, and will toast, crisp or brown your dishes to precision.

#### Flush Installation

AEG wall ovens can be installed flush, creating a seamless visual line with cabinetry.

### AVAILABLE COLOURS

Black Glass with Anti-fingerprint Stainless Steel
