## Sayan Pepper Dining Table

3000-0158

Overall: 30"h x 42"w x 42"d

Finish: Light Pepper

Materials: Oak

Item Weight: 111 lb

The wire-brushed and cerused finish on our Sayan Pepper Dining Table, which we call light pepper, highlights the wood grain on this oak dining table. Aimee Kurzner was thinking of the natural modern trend when she designed this family of products, which was inspired by her travels in Indonesia. We have a number of Sayan designs in natural and black finishes.
