

# Premium Bed Frame

Designed as the next generation of our Extreme Hotel frames, our Premium Bed Frame is the best in the business. Our high-carbon steel frame gets stronger as more pressure is applied thanks to it's wedgelock leg design. Our Premium Bed Frame will stand up to a lifetime of heavy use whether in your master bedroom or the finest hotels across North America. Extended length side rails on Queen, California King, and King sizes provide maximum stability while giving proper alignment and support to the foundation reducing wear and noise. ADA compliant in all 50 states including California.
