

Rigel UC564

Comfort Zone™
by ULTRACOMFORT

Relax and recharge with the Rigel by UltraComfort. This medium/large size lift recliner offers an overstuffed seam back that will comfortably accommodate more people thanks to the taller design. It also features a stylish top load, open-arm design with a posture-encouraging bucket seat and plush chaise pad providing hours of unmatched comfort. In addition to the comfort of the design, the positioning options are endless with our 4-Zone Comfort Zone™ positioning system, which features our patented positioning and offers four adjustable positioning zones: footrest, backrest, headrest, and lumbar, all operated by our programmable AutoDrive™ hand control. Each arm is designed with two hinged panels that open to reveal several features. The right arm holds a no-spill cup holder, a storage compartment and the AutoDrive hand control. In the left arm, you will find a removeable table, wireless phone charger, USB charging port and another storage compartment. As an added bonus, you can use the cup holder or wireless charger without losing the comfort of the arm rests made possible by the split arm rest design. For extra wellness and comfort, our HeatWave Technology or Deluxe Heat and Vibrating massage are optional features on this model.

Standard features:

- Patented Stellar Positioning
- Adjustable Headrest
- Adjustable Lumbar
- Programmable AutoDrive™ Hand Control
- USB Charging Port
- Wireless Smartphone Charger
- Removable Table
- No-spill Cup Holder
- SmartTek Diagnostic System

Optional features:

- HeatWave™ Technology
- Deluxe Heat & Vibrating Massage
