Motion Restore[™] Adjustable Base

Create your optimal sleep sanctuary with the Motion Restore[™] Adjustable Base. With fully customizable upgrades, this base unites the sleep-enhancing essentials you want with the head and foot adjustability you need to elevate your sleep experience.

Three ambient, under-bed light settings encase your bedroom in soothing ambiance and help light your way throughout the night. An integrated sound machine with white, pink, and brown noise helps promote an uninterrupted rest, and a dual massage feature aids in nightly relaxation.

With USB charging ports conveniently incorporated and a Zero-Gravity preset included for a weightless, calming feel, the Motion Restore Base helps to simplify your sleep accessories, relax your body, and promote the deep, restful sleep you deserve.
