• Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability

- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort
- Zero Wall Recliner design requires minimal space between wall and chair back
- The power control features a USB charging port
- Loveseat features console storage and 2 cup holders
- Collection features the option of either power or non-power pieces
