

Jhelum River by Slim Aarons

White Maple Floater • 236283-001

Overview

A specially selected work from the late influential photographer Slim Aarons is printed using ultra-modern ChromaLuxe technology for the first time ever. High in definition and gloss, images are printed in vibrant, saturated color on fade- and scratch-resistant recycled aluminum. Each is float-mounted with hand-selected framing designed to complement the print. Handmade in Austin, Texas, each piece includes a certificate of authenticity commemorating the partnership between Slim Aarons, Getty Images Gallery and Four Hands Art Studio.
