### Features:

- Leather match upholstery
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- Seats and back spring rails are cut from mixed hardwood and engineered lumber
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of low melt fiber wrapped over high quality foam
- Features attached seat cushions with loose non-reversible back cushions with perforated material to allow for breathability of the leather
- Arm bolster pillows included
- Collection features non-skid legs
- Modular pieces feature finished sides with no connectors to offer the option of free floating pieces
- Collection features both Left and Right Side Facing pieces along with additional sectional pieces to offer multiple configuration options
