

RADIANT COOKTOP

LCE3010SB

30" Radiant Cooktop with SmoothTouch™ Controls

Cooking Performance

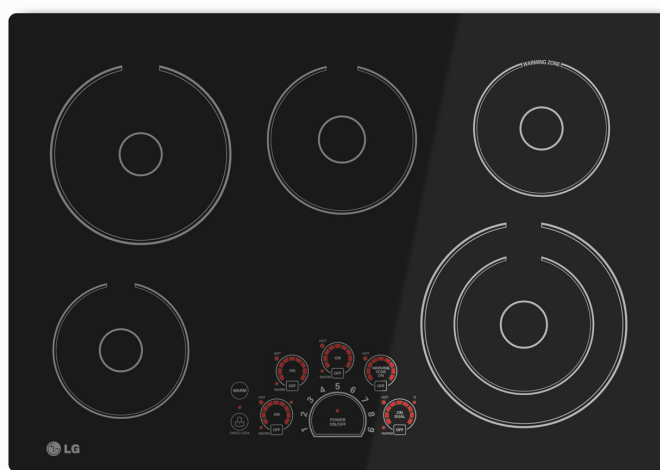

- Versatile Steady Heat Elements
- Double Right Front Burner - 9"/6"

Style and Design

- Smooth Ceramic Glass Surface with Black Trim

Convenience Features

- SmoothTouch™ Controls
- Hot Surface Indicator Lights
- Auto Shut Off
- Child Lock
- Warm Function

Style and Design

LG's premium 30" radiant cooktops offers the perfect harmony between style and convenience.

SmoothTouch™ Controls

Easy to use with just a touch. At a quick glance of the centralized electronic controls users can see which eating element is activated and the smooth surface easily wipes clean.

Steady Heat Technology

Steady Heat cooking elements deliver constant heat at any temperature for more precise control and responds quickly to power setting adjustments.

More Cookware Options

LG offers versatile elements that you can adjust to fit different sized cookware - even your largest saute pan.
