Finish: Natural / Cream

Materials: Mother of Pearl / Composite / Engineered Wood

Item Weight: 11 lbs.

A shimmering duo of compositions, the Gerri Dot Box Set includes two white decorative boxes covered in tiny circlets of mother of pearl. The process of placing the material so uniformly on the sides and the top of these boxes is a painstaking process that takes hours to complete. The circlets are held in place by the composite into which they are set. The intermingling of crisp white and pale ivory pieces of shell brings these boxes added texture.
