Thank you for purchasing this quality product. Be sure to check all packing material carefully for small parts which may have come loose inside the carton during shipment. Identify and count all parts and compare with the parts list below. Please keep all hardware out of reach of small children.

## STEP 5

1. Inspect wiring for any signs of cut wires or loose connections.
2. To make sure all connections are securely fastened, disconnect and then reconnect all connections.
3. Press and hold reset button located on the top edge of the Mini Driver for 2-3 seconds.

4. If the LED Strip Light still does not turn on, unplug the Mini Driver from Adapter, unplug the LED Strip Light from the Mini Driver, then directly connect the LED strip light connection to the Adapter.
5. If the LED Strip Light turns on, the Mini Driver must be replaced.
