**Product Description:** Designed to transition between traditional and contemporary aesthetics, the West End Loft Upholstered California King Bed is a statement of refined taste. The headboard steals the show with plush upholstery in a neutral, contrasting fabric adorned with horizontal channeling, creating a cozy yet elegant focal point in the room. A dark tuxedo finish with small-scale reeding on the headboard and footboard showcases intricate detailing and dedication to quality. This bed marries traditional charm with a transitional twist, offering a timeless addition to your bedroom.

**Collection Features:** The West End Loft bedroom and dining room collection is inspired by a traditional reeded design element but with today's elevated style. The small scale reeding is accented by a luxurious piece of vertical hardware in the center of the case.

**Status:** Active

**Finish:** The dark tuxedo finish exudes character and timeless appeal

**Features:** An exquisite blend of classic, transitional design and contemporary flair. Clean lines and a simple design offer versatility, making it easy to evolve with changing tastes. Small-scale reeding adds a touch of refinement, elevating the overall aesthetic to new heights.

**Material:** Ash Wood Veneers

**Frame Construction:** Pulaski uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Fabric 1:** Pattern: Urban; 100% Cotton; SW: Spot clean with upholstery shampoo, foam from a mild detergent, or mild dry cleaning solvent. Do not saturate with liquid. Pile fabrics may require brushing to restore appearance. Cushion covers should not be removed and dry cleaned.
