Grace Accent Table Rosso Levante Marble

Small table, big presence. Grace brings a quiet, sculptural mood—like a gallery piece that happens to hold your coffee. Carved from solid Rosso Levante marble, each surface shows natural movement, so no two feel identical. The rounded top and bold geometric base keep the look contemporary while staying easy to mix with other pieces. Use it as an accent table, end table, or bedside perch. Calm, grounded, and ready for real life in any room, anytime.

- Sculptural Calm: Round top and geometric base create a contemporary statement that reads serene, not loud, beside sofas, chairs, or beds today.
- Solid Marble: Crafted from solid Rosso Levante marble with natural veining and tonal shifts that make every table one of a kind in character.
- Monolithic Form: Single-material design feels substantial and stable, with crisp edges and smooth curves shaped to highlight marble's natural patterning beautifully over time.
- Place-It-Anywhere: Sized for small-space flexibility, it works as an accent table, end table, or nightstand wherever you need a handy surface.
