

## Monterey Chair Upholstered Seat

**SKU** MontereyUph

Our Monterey Chairs are one of our most comfortable and durable chairs. They sport a fantastic lumbar bend in back and a near perfect saddle. This contour carved into the seat can make a wood seat as comfortable as an upholstered one.

### Overview

Designing and building high quality wood chairs requires expertise in complex geometry, precision part sizing and specialized joinery. The end result is an elegant structure fit for comfort. It is no easy task.

- Handmade in choice of Ash, Cherry, Maple, Walnut & Paint
- Select from 64 wood and finish combinations
- Curved back slats provide lumbar support.
- Drop in upholstered seat with a tailored fit.
- Select upholstered seat covering from our Sunbrella favorites. Any Sunbrella indoor fabric or Customer's Own Material are also welcome.

- Hand selected, sustainably-sourced and responsibly harvested hardwoods from the Appalachian forest.
- 100% built in the USA by expert artisans and finished to order.
- Our catalyzed lacquer top coat finish is easy to maintain and resistant to household spills from water to wine.
- Drop in upholstered seat with a tailored fit.
- Select upholstered seat covering from our Sunbrella favorites. Any Sunbrella indoor fabric or Customer's Own Material is also welcome.
- Solid hardwoods are a superior furniture making material for so many reasons. Tops on our list: beauty, longevity, value, and the health of your family.
