Crosby Queen Bed Brown

If your bedroom needs one strong point of view, make it Crosby. This bed gives classic leather the mid-century modern treatment—clean, confident, and easy to live with. The headboard is fully upholstered in leather, framed in mango wood for a warm contrast that keeps the look grounded. Underneath, LVL slats add steady support without complicating the design. Finished with flat finial detailing, Crosby stays fresh, contemporary, and ready for lights-out.

- Mid-Century Nod: A classic leather bed silhouette, simplified with clean lines and flat finial detailing for a look that reads current, not retro.
- Leather And Mango: Full leather headboard paired with a mango wood frame brings warmth and contrast, balancing smooth upholstery with natural grain.
- Fresh Detail Work: Flat finials add a crisp finishing touch, keeping the design intentional and polished from headboard to foot.
- Mattress-Ready Design: Includes a slat system that prevents sinking or shifting, eliminating the need for a box spring and working with adjustable base frames.
